

These terms apply to any person who has a) entered into a licence agreement with the University of Chichester (the) and b) has been allocated catered accommodation, as set out in the Licence. For further information about catered accommodation, please contact the Accommodation Office on accommodation@chi.ac.uk or 01243 816069.

1.

1.1. : the Student Residential License Agreement or Staff Residential License Agreement between the University and the Licensee.

1.2. : the person who has entered the License with the University for accommodation in catered halls of residence.

1.3. : any day other than a Saturday or a Sunday.

1.4. : a Saturday or a Sunday.

1.5. : a week designated by the University from time to time as a week without normal teaching activities (notwithstanding that certain courses may continue normal teaching during that time).

1.6. a week designated by the University which acts as a break between Semester 1 and Semester 2 which sits outside of the Christmas period.

1.7. week designated by the University from time to time as a week without normal teaching activities (notwithstanding that certain courses may continue normal teaching during that time) but where certain events/workshops are held for student development purposes.

1.8. The definitions set out in the Licence shall apply to these terms.
- 2.1. The University provides various catering services on its campuses.
- 2.2. In fulfilment of its obligations under the Licence, and subject to these terms, the University will provide the Licensee with campus meal credit as follows:
 - 2.2.1. an allowance of £8.60 to be used each weekday during the Licence Term, excluding any date otherwise provided for by clause 2.2.2 or excluded by clause 3; and
 - 2.2.2. an allowance of £4.25 to be used for brunch each day during Reading Weeks, Inter-semester Weeks, Employability and Wellbeing weeks, Development weeks, and weekends during term time.
- 2.3. The campus meal credit will be automatically credited to the Licensee's campus card each day. Any amount from
